

"The Joy of Giving"

Dear Christites,

We have always been taught that "sharing is caring". A true value which is nurtured at home first that spreads joy amongst others, but later builds as a social skill that gives you a sense of responsibility towards the society. The selfless attitude of sharing always brings a positive aura around you. It is indeed a value to be felt by heart, "the joy of giving".

A single act of kindness throws roots in all directions. The most valuable gift a human being can give others is caring through sharing. This simple phrase "sharing is caring" speaks volumes. Blessings that are shared have their boomerang effect. The more we share, the more we receive.

Finding genuine happiness and living a meaningful life can be achieved if we learn to be compassionate, selfless share with an open heart, without expecting anything in return. It is essential to teach children the high value that sharing takes in everyone's life and the importance of sharing tangible and intangible things with others. Sharing is not only about material things. It can be also done by sharing a smile, a listening ear, a comforting hug, your valuable time, knowledge, ideas and much more. Let's relish the joy of sharing and let others light their candles from what you share with them.

Dear Children, as we have reached at the final days of this academic year lets learn the value; to be kind is more important than to be a genius. Many times, what people need is not a brilliant mind that speaks but a SPECIAL HEART that listens. But remember, every charitable act should be bestowed upon the needy secretly. It is for your inner happiness, not for attention or benefits. We all should give what we have decided in our hearts to give, not reluctantly or under compulsion because God loves a "Cheerful giver".

Vice Principal's Message

"Sharing is Caring"

Sharing is an important aspect of building positive relationships and fostering a sense of community. Teaching our children to share is teaching them compassion and love. Here are three qualities of sharing that can help strengthen these relationships.

Generosity: The act of sharing requires generosity, which means being willing to give without expecting anything in return. When we are generous in our sharing, we show that we care about others and are willing to make a meaningful contribution to their well-being.

Empathy: Sharing also requires empathy, which means being able to understand and relate to the experiences and needs of others. When we share with others, we show that we are willing to put ourselves in their shoes and offer support and assistance where it is needed.

Trust: Sharing also requires trust, which means having faith in others and believing that they will use what we share in a responsible and meaningful way. When we share with others, we demonstrate our trust in them and our willingness to work together to achieve common goals.

In conclusion, generosity, empathy, and trust are all important qualities of sharing that can help strengthen relationships and build a more connected and supportive community. By embodying these qualities, we can make a meaningful difference in the lives of others and contribute to the greater good.

Fr. Martin Onasseril CMI

Reji Koodappattu CMI

Financial Administrator's Message

My Dear Christites,

Sharing is an important aspect of our lives that helps us build stronger relationships, spread happiness, and create a sense of community. As school students, it is essential to understand the significance of sharing and incorporate it into our daily lives.

To begin with, sharing can help us build stronger relationships with our friends, family, and classmates. When we share our belongings or our time with others, we show them that we care about them and

value their presence in our lives. This, in turn, can help us create deeper bonds and foster a sense of trust and understanding.

Furthermore, sharing can also spread happiness and positivity. When we share something with others, we not only make them happy but also feel a sense of satisfaction and joy ourselves. Whether it is sharing a snack with a friend or helping a classmate with their homework, small acts of sharing can go a long way in brightening someone's day. Lastly, sharing can help us create a sense of community and promote inclusivity. When we share our resources and time with others, we create a culture of collaboration and support. This can help us create a more welcoming and inclusive environment where everyone feels valued and respected.

In conclusion, sharing is an essential aspect of our lives that can help us build stronger relationships, spread happiness, and create a sense of community. As school students, we should make an effort to incorporate sharing into our daily lives and encourage others to do the same. By doing so, we can create a more supportive and inclusive environment and make the world a better place.

SHARING IS CARING

SHARING

Dear Christites,

112 N 1/

250

We thrive in the world of the opposites. Where there is joy, there is also sadness. Where there is laughter, there is also pain. An equal balance of both makes the world going, and reaffirms our faith in the lord.

Sharing, a severe term which comes in closeness to the eternal contentment. There is no enjoyment in possessing something valuable until you have someone to share it with. The theme of the month is 'Sharing', and it's relevance is profound. In these formative years, where you learn the basics of academics and prepare yourself for the times to come, this is an important value that you can certainly embed in your hearts and practice with the ones who are in need. The most important aspect of sharing is not that you will lose or possess less of anything, it is a way through which you gain a lot more. Not only do you triumph in the portrayal of the values taught to you by your parents and the school, but also you are crowned by the one who you share your values or possessions with. In your school life, you may come across certain individuals who may seek help from you on various grounds. It can be for academics or at times emotional, lend yourself to those in need and help them with whatever they require so that they recover and praise the lord for he has gifted the world with people like you.

In this rat race today, people barely have time and are running after the materialistic gain and happiness. In this process of conquering the obvious, they often leave behind so many important aspects of life such as relationships or inner peace and become lonely. It is then you should step up, lend your hand and share

your peace with such beings. Sharing doesn't take anything away from you, instead you are blessed with the abundance of it. You see a man with hunger, offer him food. You see a friend who is struggling with the academics, share your knowledge. The world today needs an ear, a patient mind and a benevolent heart. Sharing the same with any tormented soul can pacify him and make him feel worthy of living. A life lead for others, is a life worthwhile!

VIJAYEEBHAVA- Be Successful

"Set your goals High and always Dream Big Because you are only as big as the dreams you dare to live."

On 3rd February,2023 we bid farewell to our batch of class 10. Rev Fr. Jobi Thomas Thurackal, CMI was the chief guest for the day. Along with the celebration of the happy transition of 192 vibrant young Christites to a wide world of accomplishment, in this solemn ceremony, the outgoing batch was surrendered to God Almighty in the prayer service. The parents, the dignitaries and the teachers showered their blessings upon the students. At the later part of the program, the students shared their experiences they had gathered in these many years of their school life in this temple of learning. For the outgoing batch, this special day was a culmination of many years of hard work in the relentless pursuit of knowledge.

Dear outgoing students of class 10, the Christ ICSE family always want you to see yourselves as good and responsible individuals. Never allow selfish interest to blemish the integrity you have nurtured over the years in this great institution. Think big and be optimistic in whatever you are

doing.

Wishing you the very best for your future.

Ms Indrani Bose Animator-Class 9

ANNUAL DAY

Annual Day forms an integral part of our school activities. It is an occasion of celebration, felicitation, feast and festivity when students present not only their wonderful performances but also receive honours for their curricular and cocurricular achievements. tification of

After two years of Covid outbreak, Christ School ICSE celebrated the 16th Annual Cultural Extravaganza, EXCELSIOR – 2K23 on Friday, February 10, 2023. Christ School ICSE family dedicated this Mega Event to the least privileged in the society especially the children with special need, the deaf and the dumb. The entire school premises were decorated beautifully for the event.

Mr. K Joseph Samuel, Retired Colonel and Executive Director of Deccan Aviation and a social reformer was the Chief Guest of the programme. Rev. Dr. Paul Achandy CMI, Rector of Dharmaram College and Manager of Christ School ICSE as the President, Dr. Ramalinga Reddy, Member of the Karnataka Legislative Assembly as the Guest of honour, Sri. G. Manjunath, Ex-Corporator of the S G Palaya Ward as Special Invitee, Mrs. Vidushi Preethi K, Lecturer Jyothi Nivas College, as the Parent Invitee and Miss. Monika and Miss. Monisha Manjunath, as the Alumni members of this mega event.

The students of classes 1 to 9 put up a spectacular show which mesmerize the large and supportive audience. The shows include sweet, rhythmic and melodious orchestra by more than 100 little christites and mind blowing dance performances. The various classical, folk, western etc. dance performances were rattling and highly energetic. An exciting and elegant western dance was showcased by the Alumni members 0r 2022 batch.

Along with the exhilarating Cultural Extravaganza, the meritorious students were appreciated and awarded with prizes and medals for academic and other cultural and extra-curricular activities.

Christ School ICSE has always been the nurturing ground for empowering the Christites to excel in all the endeavours. We have taken an oath that we will never stop working hard to prove our calibre to the world around us and this day will surely give us in a nutshell the scholastic and non-scholastic growth our institution has achieved in this academic year. All these direct us to the title of 16th Annual

Cultural Extravaganza _ Excelsior 2K23 - Ever Upward and Still higher.

> Ms. Anitha Joseph Committee In-charge of Annual Day 2K23

Christ School ICSE through its social service club has made students believe that education and learning also happen beyond the walls of the classroom. Every effort is made to build awareness, sensitivity, and empathy in our students. During the current academic year students were taken to ASWAS, a community service center, run by CMI Fathers to experience and live with those who are suffering and less fortunate.

This exposure led the social service club to raise funds during the annual day to help the needy. Students got engaged in making paper bags and packing snacks in a hygienic way. Students in large numbers bought snacks coupons and supported the cause.

This activity has made students feel that they have some role in society. Students have become light in the lives of the less privileged.

Ms Lourdu Prema M.C

IMPACT OF EDUCATORS' MINDSET ON THE HOLISTIC DEVELOPMENT OF LEARNERS

A seminar on the "Impact of Educators' Mindset on The Holistic Development of Learners" was held at the Christ Kengeri campus on 4th February. The seminar focused on the impact of educators' mindsets on learners. The program started at 10:30 AM with the welcome address.

The opening remarks and introduction of the program were given by Dr. Jonas Richard. He highlighted that teachers should take up a different approach as the challenges they face today are very different from the older generation. He mentioned that the teachers must understand the mental health of the students more than their

intelligence. They have to approach students with a positive mindset and a smile because the teacher's happiness impacts the students. The session was fruitful and effective. Ms Neenu Joseph

" Mission Meditation " was conducted on 24th February,2023 by Mr Divyesh Bhandari who is director Imbroglio Production. Imbroglio Production in collaboration with the BKWSU has launched a Bangalore wide campaign called-Mission Meditation.

The main aim of this session was to teach students the unique method of Just A Minute Meditation, that has proven to burst stress, improve efficiency and stay focused while performing daily tasks. Mr. Divyesh Bhandari introduced the worldchanging mindfulness technique -'Just-A-Minute-Meditation'to the students of class 8 and 9.

After the session each child was given a

pamplet with the message "Thoughts that make the mind stronger, fresh, and flexible to face new challenges".

Ms Namrata

A DAY WITH JESUS YOUTH GROUP

18th February was a day of blessings and calm spirit. A small yet useful session conducted by the Jesus Youth members on that day, opened our eyes to see the love of God and know about it more through the experiences shared by each of the member from the team. We got to know about how differently God intervened in their lives when they totally surrendered themselves into the hands of the Lord. A group of 32 students of class X attended the programme. The session was started by an action song led by Aneesh chettan and an ice breaking session by Kitty chechi in which we all got to know about the creative nature of each individual through a very thought provoking game. After this each member of the Jesus Youth community shared their special encounter with Jesus Christ. The session got over by 10:40 am. By 11:00a.m. we all assembled at the chapel for the adoration of the Holy Eucharist . It was a serene moment filled with the divine grace and love of the lord. We experienced his love and divine presence among us. It was a very blessed and memorable time for us to experience the love of god. The prayer was concluded by the final

blessing by Fr. Reji Koodappattu CMI. After which we interceded for the special intentions of the Jesus Youth community and our managent. After receiving the final refreshment we headed towards our home with a new spirit and enthusiasm in our hearts. On behalf of all the students I thank our Principal Rev. Fr Nilson

Pallissery CMI, the teachers and the management for conducting such a graceful session and giving us a feel of renewal in our hearts.

Albina Ann Mathew Class - 10A

Impossible to I'm possible

"I can do all things through Christ who strengthens me." (Philippians 4:13). As Christians, it is important to take time to step back from the chaos of our everyday lives and immerse ourselves in the stillness of God's presence. I would like to share a brief but a life filling experience through this article. It was a Saturday 5th March, another regular week day and was told to attend a Prayer service. I wasn't sure what I was getting into but the curious nature got myself to be a part of it.

So I, along with my schoolmates brought our enthusiasm to the prayer service themed "I'M Possible". This event took place in the Chavara Auditorium from 8:30 to 11:30 AM. What truly made the time fly by was a team of college students called "Jesus Youth" that came as the spiritual drivers to transform our way of perceiving life in its totality and shared their God experiences. To tell you more about "Jesus Youth", as the name says it all, is an international Christian Catholic movement that challenges young people to live a meaningful, creative and fulfilling life. The conclave of school students, teachers and Jesus Youth came together to rejuvenate faith through various activities such as Action songs, various insightful sessions, group activities and finally closing the day with Spiritual Adoration. We explore how grace is a gift from God, unearned and undeserved, and how it is the foundation of our faith. We also look at the importance of extending grace to others and how it can transform our relationships. we explored the concept of surrender. We examined how surrendering our plans and desires to God

can bring freedom and peace, and how it can help us to trust in God's plan for our lives. We also looked at how surrendering our worries and anxieties to God can help us to live in the present moment and find joy in the journey.

A big thank you to our beloved Principal, Fr. Nilson Davis CMI, teachers and most of all Jesus Youth team for making this prayer Service "I'M_Possible" truly memorable one. Merlin Santosh

Class - 9 C

THE VISIT TO SCIENCE MEGA EXPO AT NIMHANS

At Nimhans, National Science Day,2023 was celebrated after a two-year covid induced break, on the 28th February and 1st March.

On 28th February the students from classes 8 to 9 and the very next day students of class 5 to 7 visited the two-day exhibition themed 'Global Science for Global wellbeing', was held at the Nimhans Convection Centre. Around 715 students form classes 5 to 9 got a chance to witness this mega event.

Interactive exhibits, demonstrations, multimedia presentations and film screenings were being part of the exhibition which also showcased cutting-edge scientific innovations at Nimhans.

The institute encouraged general public to interact with clinicians, scientists, researchers, paramedical staff and students working on mental health and neurosciences. The event was focused on demonstrating how science is happening "all around and not just in research labs".

Some of the exhibits included human anatomy, walkthrough of EEG-a machine used for recording the electrical activity of the brain, how covid vaccine works, blood circulation, facts about the legendary Noble prize winner Sir C.V Raman and many more. Students had spot quiz and other fun filled informative, intellectual, brain storming games and the winners were given chocolates and other goodies which were related to theme on mental health. Nimhans integrated centre for Yoga conducted a challenge for the students to stand in various 'Asanas'. Dimitra of 8 D could put a record of 32 minutes 40 seconds standing in Vrikshasana.

Students learnt a lot of new things and even

got hand on experience on our internal vital organs. It was an excellent and enriching experience.

INTEGRATIVE MEL

A VISIT TO THE KANNADA BHAVANA AND KALASHETRA MUSEUM

"The aim of art is to represent not the outward appearances of things, but their inward significance." – Aristotle On 2nd March, 2023 as a part of the external activity of the club, about 63 members of the literary club including the in-charge teachers had a visit to the Kannada Bhavana and Kalakshetra Museum, which exhibits Karnataka's cultural and traditional arts which includes paintings, statues and sculptors.

Ravindra Kalakshetra also referred to as Kannada Bhavana and Kalakshetra is a cultural centre in Bangalore which provides a home for musical, theatrical performances and Kannada literature . Located in heart of Bangalore city, it was built to commemorate the birth centenary of Nobel laureate Rabindranath Tagore.

The whole museum is a treasure trove of the history of India, students had a wonderful experience and they learned about the history of great men of India and their morals. The laurels, legends, and historical facts are connected with an entire spectrum of literature and the life of India.

Ms Arshiya Tabasum W

A VISIT TO KARNATAKA CHITRAKALA PARISHATH

Art is the expression of ideas and emotions through a physical medium like painting, sculptures, film, dance, writing, photography and theatre. If you love the creative process, maybe you'll devote your life to art.

A beautiful piece of art is one that conquers the theme but also pays homage to it. Art should speak for itself and that's why when you go to a gallery, you stare at different pieces and let them talk to you. We the members of the Art Club of classes 5 to 9 got an opportunity to visit Karnataka Chitrakala Parishath, an Art Gallery on 7th March, 2023.

The Karnataka Chitrakala Parishath is an art museum and gallery containing an eclectic mix of sculptures, both abstract and modern, folk and traditional paintings.

The Karnataka Chitrakala Parishath has 18 galleries, out of which 13 museum galleries carry a permanent collection of paintings, sculptures and folk art. Five other galleries are permanently rented out to quality exhibitions of works of artists from various parts of not only India but also of international bearing.

The museum is a special platform to every art innovated. There was a formation in every art which acts from floor to wall, wall to a balanced form of art. We saw many beautiful paintings of Himalayan Studies, Mysore Folk Art, Watercolour paintings, Paintings of famous Russian artist Nicholas Roerich, Indian leather puppets, sculptures made of metal, terracotta, wood, etc.

The Parishath runs the College of Fine Arts, a visual arts college and a cultural organisation affiliated to Bangalore University.

One of the important events organised annually is the 'Chitra Santhe' an Art Mart, a cultural event showcasing affordable art to the public where artists from all over India participate in this festival of art. The motto of the event is 'Art for All'.

The visit to the Chitrakala Parishath was a wonderful experience to all the Art Club students especially for the students who have chosen Art as one of their optional subjects. We were deeply inspired by the art exhibits and was able to experience the different forms and perspectives of art.

As a great admirer of art I would say it is one of the best place for art lovers.

On behalf of the Art Club I would like to thank our beloved Principal Fr. Nilson Davis CMI, for giving us this wonderful opportunity and our

teachers' incharge, who accompanied us and ensured our safety throughout the field trip.

Ananya Sateesh Class - 9E

Seva Smarana 2K23

"Your dedication to your work is helping lead us to success!"

Seva Smarana means serve to others. On 2nd March,2023, a day was set apart to celebrate and appreciate the service rendered by the non-teaching staff of our institution.

The celebration started with a blissful prayer service followed by cultural program from students and teachers side. A lucky star was selected among the nonteaching staff and presented a special gift. The previous day competitions were held namely – rangoli, pencil sketch, painting and solo song. On the day of celebration a games session was conducted where all the staffs participated enthusiastically and prizes were awarded for the same.

Non-teaching staffs shared their experiences and how grateful they were for this wonderful celebration and they also felt valued and accepted.

Ms. Alka

FAREWELL TO Ms. RANI TENY

Valuable lessons are hidden everywhere... All it takes is a good teacher to tell students where to look!'

On 10th March 2023, the students of class 9th and 10th bid farewell to their dearest Rani ma'am through a small program. The students shared their experiences and felicitated Rani

ma'am by their speech, for her selfless dedication towards them. The students wished her much joy and happiness for the new chapter of her retired life.

Ms. Indrani Bose

CHRIST

Festal Greetings to Rev Fr Reji Koodapattu, CMI

The Christ School Fraternity celebrated the Feast Day of our illustrious Finance Administrator Rev Fr Reji Koodapattu, CMI on 20th March 2023.

A small program was organized to wish the celebrant of the day. The choir sang a Festal greeting Song.

Rev Fr Reji is a strong pillar of Christ School. His unconditional love and compassion goes beyond words. On this day, Fr Reji shared his thoughts and views with us. We extend our hearty festal greetings to him! May God Bless You Father.

" Wishing you a blessed Feast Day and may your

love of your Patron Saint bring you happiness and peace today and everyday."

KISA Talent Search Examination (TSE)

The Karnataka ICSE Schools Association (KISA) was established in the year 2009. Where all the schools in Karnataka collaborate and discussed issues pertaining to schools affiliated to CISCE.

This Association provides an ideal platform to the schools to organize and execute various competitions for the students of the member schools.

One such competition is the Talent Search Examination (TSE). The TSE exams was conducted on 7th November 2022.In which there were 2053 students who had participated. The TSE syllabus touched Environmental, heaths, sports, politics, mathematics and current affairs.

It's a saying that "A little progress each day adds up to Big result" and our school was awarded the Second

place for the maximum number of participants for TSE exams by the Karnataka ICSE Schools Association (KISA)

DCL IQ SCHOLARSHIP EXAMINATION

To enhance the skill of understanding, the application of concepts and to develop IQ, logical and analytical thinking of student; Deepika children's league conducted DCL IQ scholarship examination for classes I to X. 464 students from classes 1 to 9 registered for the examination. DCL IQ scholarship exam was conducted on 21st November 2022. The result is announced on16th January 2023. Master Haifa Hashik

of class 1 has secured 2nd Rank, received cash award of 4000 Rupees, Gold medal and merit certificate. 18 students from different classes also won cash award, gold medal and merit certificates. 118 students received gold medal and certificates. Kudos to all the winners & participants!

Smart Class Award winners for winning more than thrice

The Smart class awards a remarkable initiative by our discipline committee under the able guidance of our principle and coordinators has been doing wonders in inculcating the best character and personalities in our students and at the same time their teachers.

In this regard some classes have won the smart class award ones, twice and some classes went to a great extent of perfection by winning the award thrice and more; and were also honoured by our beloved principal with special awards on 22nd February,2023.

But no matter the number of wins, one thing that our students never gave up was the progress and efforts to be the best. Sincere and heartfelt appreciations to each and every student and their teachers who strive up to progress over perfection. Congratulations to all the

classes who

kept their spirits high and won the smart class awards.
