

My dear and loved ones,

With the uncertainty surrounding the outbreak of the Coronavirus disease (COVID-19) pandemic, we find ourselves in remarkable circumstances this year. The COVID-19 pandemic makes clear our global human interconnectedness and the responsibilities we have to one another. We do know that our best response relies on the sort of global empathy, cooperation, and community building that sit at the heart of our every action.

I want to acknowledge the invaluable work of all our staff and whole – hearted cooperation of our most valued parents and students. Thank you for keeping a close watch and keeping misinformation at bay. We are proving that, even in a time of social distancing, we can celebrate our human bond by coming together and supporting each other. Say ‘No’ to panic, stay hygienic and continue social distancing to break the chain. Ring up your loved ones talk to them. Make them feel you still care.

Safety is paramount!
To break the chain.
Even amidst this chaos,
Let love prevail!
Remembering my loved ones,
All dear and near,
All who are suffering,
All who are worried,
Humbly I bow before you
O Lord!
I pray for them all.
I pray for this planet.

Christ School ICSE will continue to update you all the necessary information at the earliest as our priority is to remain worthy of your trust and goodwill.
